### **QUOTE OF THE DAY**

"A library outranks any other one thing a community can do to benefit its people. It is a never failing spring in the desert." – Andrew Carnegie

"It wasn't until I started reading and found books they wouldn't let us read in school that I discovered you could be insane and happy and have a good life without being like everybody else." – John Waters

"One glance at a book and you hear the voice of another person, perhaps someone dead for 1,000 years. To read is to voyage through time." – Carl Sagan

"If there's a book you really want to read, but it hasn't been written yet, then you must write it." – Toni Morrison

"Poetry is the universal art of the spirit which has become free in itself and which is not tied down for its realization to external sensuous material; instead, it launches out exclusively in the inner space and the inner time of ideas and feelings." – Georg Wilhelm Friedrich Hegel

"Walking isn't a lost art: one must, by some means, get to the garage." – Evan Esar
